Pure Spice Powder

OUR QUALITY POLICY

SUPREME (Kauther spice company) always given first priority to its quality. We are committed to continues improvement in our process to ensure that our customers get the finest quality products, utmost care is taken to ensure each products that reaches to our customer upholds the best of quality and purity standards. Finest of crops are chosen to enhance the taste in the most natural way without any additives

About Us

The company was found in 2011 by Mr. Shafeeq Ibrahim as a prominent retailer of spices and supply door to door. The business was incorporated into a company in year 2015 with its registered office at Bhilai. Factories in Bhilai and jawrashirsa,

The success of Supreme can be attributed to the following: Excellent Quality products, Strong resources & Marketing Network, Continuous market analysis and Survey of customer needs, Standardization & up gradation of products as per standards.

The company is currently setting up new milestone by supplying its products to all location of India. Apart from purest ground spices we also produce specially formulated spice blends and also assortments blend that includes grounded and whole spices for decade.

Brand Vision

We aim to be the most trusted, authentic, premium Indian brand, that stands for delivering the regional taste diversity of India in all its authenticity and freshness to all our customers.

Each of our products shall be created around natural produces and shall be accurate to ensure that the taste, best represents the origins.

Our Brand Standard

We will ensure that Supreme products are manufactured, packaged and delivered to our customers while maintaining the highest order of quality and hygiene.

We commit to continuously work, towards identifying and eliminating instances of adulteration.

We shall strive to deliver nutritionally sound products and disclose complete and accurate nutritional information on our packaging.

We will avoid the use of all artificial coloring agents in our products.
